Continuing Education
Credit Offered

In The Event of a Bioterrorist Emergency..Are You Equipped To Answer The Call ?

Sponsored by the University of Maryland School of Pharmacy, in collaboration with the Maryland Board of Pharmacy and Department of Health and Mental Hygiene to insure that Maryland volunteer pharmacists and technicians are trained to respond to state and local emergencies.

AGENDA

6:00 PM – 7:00 PM
Registration & Badge Photos

7:00 PM – 10:00 PM
Phase I Training & MD Board of Pharmacy Deployment Plan

SPEAKERS

Bruce D. Anderson, PharmD, DABAT **Maryland Poison Center**

Objectives:

- ❖ List the biologic agents most likely to be encountered during a terrorist attack.
- ❖ Describe the most appropriate medication doses, indications, cautions, and contraindications used in the management of a biologic terrorist attack.
- ❖ Identify special population patients who may require alternative therapies.

Joseph M. Scaletta, MPH **Maryland Department of Health and Mental Hygiene**

Objectives:

- ❖ Describe the National Pharmaceutical Stockpile (NPS) program, including contents, deployment, and responsibilities of local, state, and federal authorities.
- ❖ Identify roles and responsibilities of a volunteer pharmacist/pharmacy technician for prophylaxis/treatment in a bioterrorism emergency.

DHMH will be issuing a badge at the training. You must wear the badge when responding to an emergency volunteer request from the Department of Health and Mental Hygiene or MD Board of Pharmacy.
